

CANDIDATE REFERRAL SCHEME

Good candidates are at the heart of our business. Your friend and colleague referrals are one of our most consistent and successful sources.

As a token of our appreciation, we offer £200 Amazon vouchers to those who introduce individuals that we successfully place.* To register your referral, and help your friend or colleague advance their career, please enter both your details in the form below. We will make sure that we act on your submission as quickly as possible.

REFERRAL

Your name: _____

Your email address _____

Your telephone number: _____

Your friend's name _____

Your friend's email address _____

Your friend's telephone number _____

Your covering note: _____

* All referrals must be recorded using the form above and the submission of the referral must be dated prior to first contact on our internal database. We are unable to accept introductions of any individuals whose details we have already.

By submitting your referral, you confirm that your friend/colleague is aware that you are making the referral and happy for us to contact them. Referral vouchers only become eligible once placed candidates have successfully passed their probation and the recruitment fee has been paid.

This offer may be withdrawn without notice at any time.
